The Center for Cooperative Media at Montclair State University is looking for residents in Camden, Newark, Trenton and Paterson to join Voting Block.

Voting Block is an initiative to amplify the voices of people who live in these four cities around political issues. We're recruiting 10 people in each city to have dinner together three times this fall, to discuss politics in a civil setting, and to speak directly to legislators who are making decisions that impact their lives. Local media will partner with each dinner group to tell their stories.

**Interested in participating? Fill out our form at [bit.ly/votingblock2019](https://bit.ly/votingblock2019) or call us at 973-655-3879.**
